

bfl::PFVisualCorrection

```
classDiagram
    class bfl_PFVisualCorrectionDecorator["bfl::PFVisualCorrectionDecorator"]
    class bfl_PFVisualCorrection["bfl::PFVisualCorrection"]
    bfl_PFVisualCorrectionDecorator --|> bfl_PFVisualCorrection
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'bfl::PFVisualCorrectionDecorator'. A blue arrow points upwards from this box to a gray box at the top labeled 'bfl::PFVisualCorrection', indicating that the decorator class inherits from the base class.
