

bfl::PFCorrection

```
classDiagram
    bfl::PFCorrectionDecorator --|> bfl::PFCorrection
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'bfl::PFCorrectionDecorator'. A blue arrow points upwards from this box to a white box at the top labeled 'bfl::PFCorrection'. This indicates that 'bfl::PFCorrectionDecorator' inherits from 'bfl::PFCorrection'.
